Mexico, March 6, 1848. ORDERS NO. 18.

The Major General commanding, published for the guidance of the army the following articles of a military convention for the provisional suspention of hostilities between the United States of America and the Republic of Mexico, and directs the same to be strictly Military Convention for the Provisional Suspension of Hostilities.

The undersigned met in the city of Mexico on the 29th of February, 1848, for the purpose of complying with the 2d article of the treaty of peace, which was signed at the town of Guadalupe Hidalgo on the 2d inst., which it is agreed as follows:

Immediately upon the signature of this treaty a convention shall be entered into between a commissioner or commissioners appointed by the general-in-chief of the forces of the U S., and such as may be appointed by the Mexican Government, to the end that a provisional suspension of hostilities shall take place, and that, in the places occupied by the said forces, constitutional order may be re-established, as regards the political, administrative and judicial branches, so far as this shall be permitted by the circumstances of military oc-

When, having mutually exhibited and examined their respective full powers, which were found full and satisfactory, they agreed upon the following articles:

Art. 1. There shall be an absolute and general suspension of arms & hostilities throughout the whole Republic of Mexico between the forces of the United States of America and those of the United Mexican States, and consequently immediately after the publication of this convention for the suspension of hostilities, in any place or district, no act of hostility of any kind shall be committed by the forces of either party, and if any person or persons be guilty of any breach of this article, they shall be individually liable to be tried and condemned under the laws of war. Art. 2. The troops of the United States shall

not advance beyond the positions already occupied by them towards any part of the Mexican territory not now in their possession, nor extend in any manner the limits of their present occupation; nor shall the troops of the U. States advance from the positions now occupied by them, but each party may move freely and peaceably, as they find most convenient, within the limits of their occupation-neither passing through a territory occupied by the other.

Art. 3. All persons of either nation, not belonging to the army, may travel without molestation wherever their business may call them, subject to the laws of the country; but all persons belonging to the army, travelling from the posts of one towards those of the other, shall be accompanied by a flag of truce

Art. 4. In the Federal District and in all States occupied by the American troops, the collection of all the contributions of war pro vided for by General Orders Nos. 376 and 895 of the commander-in-chief of said forces, due or becoming due for the months of February and March, shall be suspended until the expiration of this convention; and upon the ratification by the Mexican Government of the treaty of peace signed on the 2d inst., all such ted. But the tax on gaming houses, liquor shops, and places of public amusement shall authorities to collect taxes as heretofore.

Art 5. With a view to the re-establishment of constitutional order as regards the pclitical, administrative and judicial branches, it is agreed that in all places occupied by the American forces the citizens of the Mexican of which I return, with the two copies that Republic shall be free to exercise all their political rights in electing and installing the General. State and municipal authorities of the present month, to be ratified by the General, State and municipal authorities, which belong to the territorial divisions fixed by the Mexican laws and constitution. The American authorities will respect the exercise published in due form of law. of those rights, and will consider those as duly elected who are held as such by the Mexican Government. And in like manner will be considered those civil appointments made by the Mexican General or State Govern-

ment. Art. 6. Whenever an election is to be held in any town or place occupied by the American troops, upon due notice thereof being given to the commanding officer, he shall march the let inst. acan and Orizaba. Art 12. In the Federal District there may e organized and armed a force of 600 men of police or national guard, to preserve order and naintain police, and in other places occupied by the American forces, the commanders thereof and the Mexican civil authorities shall agree on the establishment of a convenient force for similar purposes

Art. 13. In future, as heretofore, in all the places occupied, Mexicans or foreigners resilent in Mexico, shall enjoy the protection of person and property guaranteed by the constitution and laws of the Republic-and as has heretofore been done, all supplies taken for the American army shall be paid for at fair

Art. 14. The commanding officers of the American forces on the northern frontier of Mexico, shall use all their influence to prevent the incursions of savages into the Mexican territory, and the robbery and ill-treatment of the inhabitants. And the Mexican forces may assemble, oppose and pursue said Indians even within the lines occupied by the American troops, without being considered as infringing the provisions of this convention.

Art. 15. The American army will continue to respect, as hitherto, the temples and free exercise of the religion of the people of the Mexican Republic, in public and private-and church property shall be subject only to such laws as were in existence, or may be passed, by the Mexican Government.

Art. 16. If any body of armed men be asembled in any part of the Mexican Republic with a view of committing hostilities, not authorized by either Government, it shall be the duty of either or both of the contracting parties to oppose and disperse such body, without considering those who compose it as having forfeited the protection of the laws of nations, unless they have been guilty of robbery or murder. The performance of this duty shall not be considered an infraction of this con-

Art. 17. This convention shall remain in force during the period fixed by the treaty signed on the 2d instant, at Guadalupe Hidal go-or until one party shall give to the other notice of its termination, with the following additional delay, viz: Five days for all places within sixty leagues of the capitol, seven days for all places within ninety leagues, and twenty days for all other places. The ratification of this convention shall be exchanged at Mexico within seven days from its signature.

In faith of which, this convention has signed in quadruplicate by the commissioners, the day, month and year first mentioned. IGNACIO DE MORO Y VILAMIL. BENITO QUIJANO.

The tendency of a practice should be scrutinized with the same distrustful jealousy as that which watches the introduction of a new principle into organic law. But let the propriety of this practice become a "thorned opinion"—deeply fixed and rooted in the minds of the people, and it will require a high degree of moral courage to assail it, and a still higher degree of self-sacrificing patriotism to

I am further opposed to the practice for the reason that an energetic canvass not only endangers the health, but also the life, of the candidate. In this I am sustained by the almost unanimous opinion of Western Carolina. The melancholy result of a recent campaign is fresh in the recollection of many who still mourn the loss of one whose life became a sacrifice to the labors and exposures of a summer's campaign. But for this, the lamented Hoke might have been spared to fill those stations for which his talents and many virtues so pre-eminently distinguished him.
